... a sneak peak inside OPEN MIC All welcome Sundays in the Eric Martin Theatre 6-8pm

Here is a sample of some original spoken word art, heard at a recent Open Mic.

Who I AM?

Who Am I? Just a sound on
The choir of life playing its music,
has it is trying TO makes sense
of what is me.

As A cymbal makes noise
The echoes of life.

It is to define the nothingness
of me while the ego run wild
on the river of life.

Join in the fun as a musician, comic or a fan!

Jaden covering the mellow side of Rock, for a delighted OPEN MIC audience.
